BUCKLE UP –
AND UNLEASH.

M4 COUPÉ COMPETITION.

STANDARD EQUIPMENT, INCLUDES:

- 20" M light alloy Star-spoke style 666 M wheels
- 8 programmable favourite buttons
- Access to BMW Connected+ for 12 months from vehicle production (subscription required)
- Active M Differential
- Adaptive M Suspension, Competition-specific set-up with specific springs, dampers and anti-roll bars
- Air conditioning, automatic with two-zone control
- Armrest – front, sliding with folding storage compartment
- BMW ConnectedDrive Services, comprising:
 - BMW Emergency Call
 - BMW Online Services
 - BMW TeleServices
 - Real Time Traffic Information (RTTI)
 - Remote Services
- BMW Individual High-gloss Shadowline with extended contents, comprising:
 - Decorative mouldings side frame
 - Exterior mirror frame, exterior mirror base
 - Finisher, B-pillar
 - Kidney grille surround
 - M4 model designation on the tailgate
 - M side strakes
 - Window recess covers
 - Window guide rail, rear door
- Carbon-fibre reinforced plastic (CFRP) roof
- Control Display – 8.8" colour display screen with touch functionality
- Cruise control with braking function
- DAB tuner
- Direction indicator lenses, clear, LED
- Door sill finishers with M designation
- Electric windows – front, with open/close fingertip control, anti-trap facility and comfort closing
- Enhanced Bluetooth with Wireless Charging and WiFi hotspot preparation
- Extended Merino leather upholstery
- Four seats
- Foglights, rear
- Gearshift lever with M badge
- Headlining, Anthracite
- iDrive Touch Controller
- LED headlights
- LED tail lights, with 3D L-shaped LED light design
- Lightweight M Sport seats, with breakthrough elements in the seat back
- Loudspeaker system – BMW Advanced
- M Double Clutch Transmission
- M Drive Manager
- M Instrument cluster
- M multi-function leather steering wheel, three-spoke with M stitching
- M rear spoiler, integrated into bootlid
- M seat belts, driver and front passenger
- M-specific rear seat with integrated headrests – two
- M-specific seats for driver and passenger, lightweight construction with integrated headrests and illuminated M badge and model name, with Black High-gloss surround
- M Sport exhaust system with Black High-gloss tailpipes
- M TwinPower Turbo six-cylinder in-line petrol engine
- Metallic paintwork
- Navigation system – BMW Professional Multimedia
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Rear backrest, lightweight construction, foldable and 60:40 dividable
- Seat heating for driver and front passenger
- Tyre Pressure Monitoring
- Windscreen with grey shade band
- Wireless charging cradle in front centre armrest storage compartment

The BMW M4 Coupé Competition is shown above in Sakhir Orange II metallic paint with optional 20" M Star-spoke style 666 M wheels in Black. The BMW M4 Coupé Competition ceased production at the end of April 2020. Please contact your local BMW Retailer for further information.

STANDARD & OPTIONAL EQUIPMENT HIGHLIGHTS.

Made of carbon fibre reinforced plastic (CFRP), the precision strut brace increases frontend rigidity, steering precision and accuracy.

The distinctive M gills underscore the car's sporty appearance and optimise aerodynamics with an integrated Air Breather.

The harman/kardon loudspeaker system has a 600 watt digital amplifier, vehicle-specific equalising and loudspeakers with Chrome detailing.¹

BMW Icon Adaptive LED Headlights with full LED technology include integrated LED turn indicators, low and high beam, as well as daytime running lights for safety and optimal illumination of the road. High-beam Assistant and Adaptive Headlights with automatic adjustment significantly enhance visibility in the dark – for relaxed driving, almost like during the day.

Exclusively available for BMW M4 Convertible Competition, the air collar releases pleasant, warm air around the head and shoulders, ensuring comfort when driving with the roof open.

19" light alloy M Double-spoke style 437 M wheels in Jet Black.

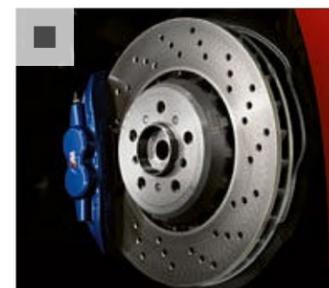

20" M light alloy Star-spoke style 666 M wheels, forged.

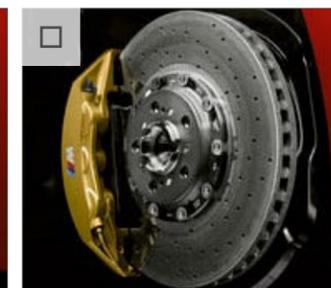

Using the BMW M laptimer app, driving data from the racetrack can be recorded accurately and then analysed. The recorded information can be shared as a snapshot on social media while the data, including accelerator position, steering angle, G-force and best lap time, can be sent by email. A GoPro interface is also incorporated.

The full-colour BMW M Head-up Display with M-specific functions projects all relevant journey information directly into the driver's field of vision. With the press of a button, the driver can switch to the M-specific display, which includes a gear indicator, the rpm as a dynamic range curve and shift lights indicating the optimal moment to shift gear. Image may show additional optional equipment.

Thanks to the use of different materials, M compound brakes achieve outstanding deceleration values and are extremely stable and highly durable.

The weight-optimised M Carbon ceramic brakes provide ideal traction, high thermal resistance and are highly durable.²

20" M light alloy Star-spoke style 666 M wheels, forged, Black.

¹ = BMW M4 Convertible Competition with 515-watt digital amplifier. ² = Depending on conditions and usage, features specific to the materials used can lead to operational noises, particularly in wet conditions, just before the vehicle comes to a halt. The impact of moisture and road salt can cause the braking action to be equivalent to a conventional brake system. This can, for a short time, be experienced as a reduction in braking action and can be balanced out by greater pressure on the pedal where necessary.

The BMW Connected App.

Your personal mobility assistant.

The BMW Connected App learns your mobility routines, reads your calendar and knows when you need to leave, providing you with a personal experience that is integrated into your everyday life. The App allows you to fully unleash the capabilities of BMW's innovative technologies intuitively through your smartphone.

■ Learned destinations
BMW Connected learns your most frequently travelled routes and provides them as 'learned destinations' for future suggestions. If destinations are repeatedly visited, they are automatically listed at the usual time.

□ Amazon Echo
BMW Connected Skill now available for the Amazon Echo. Lock your BMW by simply asking, check the status of your car or when to leave for your next meeting without lifting a finger.

■ Remote Services
enables customers to use a smartphone to locate where their BMW is parked, to lock and unlock the car remotely and much more.^{1, 2, 3}

■ Estimated time of arrival
Never be late again with detailed updates of your regular routes and alternative options so you can manage your journey and avoid delays.

□ Door to door guidance
Get detailed walking directions from your parking spot to your destination. A map with a location pin also shows where you last parked once you're ready to head back to your car.

□ Time to leave
A notification on your Apple iPhone®, compatible Android phone, your Apple Watch® or Samsung Gear S3® watch will recommend a time to leave in order to arrive on time.

BMW ConnectedDrive.

In touch with your world.

For more information, go to www.bmw.co.uk/getconnected

The BMW ConnectedDrive Services & Apps are on hand to make sure you have more time for the important things in life. Various innovations by BMW make things more convenient for you every day – whenever you want.

■ Real Time Traffic Information (RTTI) collects current traffic information about motorways, main and country roads and the most important urban routes. It relays information about delays and dangers and suggests the best alternative routes.^{1, 4}

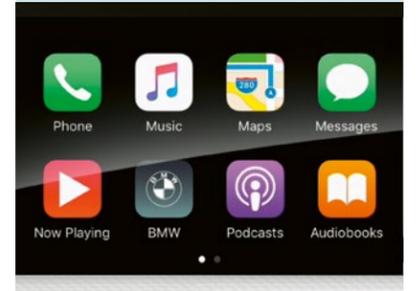

□ Concierge Services connects the driver to a BMW Call Centre agent who acts as their personal assistant at the touch of a button. The agent can locate a particular restaurant, for example, and send the address directly to the BMW's navigation system.^{1, 4}

□ Apple CarPlay® preparation enables wireless and comfortable usage of your iPhone® in your vehicle via Apple CarPlay®. Selected smartphone content can be displayed and operated via the user interface of the vehicle.^{1, 2, 5}

■ BMW Emergency Call automatically establishes a voice connection with the local emergency services without the use of a mobile phone. It transmits information about the vehicle's current location and can be triggered manually in case other road users require help.²

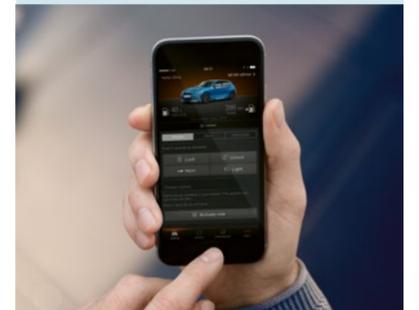

□ With Online Entertainment you have direct and unlimited access to millions of songs without the need for a mobile or MP3 device in the vehicle. Online Entertainment is a Music on Demand function that uses the built-in vehicle SIM.^{1, 6}

□ BMW Connected+ provides a more extensive level of integration of the BMW Connected App in your BMW. You can enjoy seamless connectivity between all BMW Connected touchpoints and your BMW.⁷

□ WiFi hotspot preparation enables connection of mobile devices to the internet via the built-in vehicle SIM. Its use is subject to cost, data plans can be purchased via the mobile network operator when connected to the vehicle.⁸

¹ = Requires a free BMW ConnectedDrive account. ² = Available and active without runtime limitations. Usage cannot be guaranteed permanently due to potential future technical developments (of the Service availability and/or Smartphone compatibility/operating systems).
³ = GPS Tracking in iDrive Settings menu must be activated. Not all features are available on all models. Please consult your local BMW Retailer for full details. may vary due to the model year of the iPhone® and the version of software installed on it. ⁴ = Active for 3 years, renewable thereafter. ⁵ = Functions using a data connection will use data from the SIM card in the iPhone®. Additional data charges may be applied by the mobile network provider. Compatibility and functions ⁶ = Includes subscription to a chosen music partner for one year.
⁷ = Active for 1 year, renewable thereafter. ⁸ = Data subscription costs apply and must be purchased separately.

BMW PAY MONTHLY SERVICING & TRACKSTAR.

SERVICING MADE SIMPLE.

Planning for the road ahead has never been easier. With the BMW Pay Monthly Service Plan¹ you can remove the uncertainty often associated with car servicing costs by spreading them monthly, much like you would your household bills. Our Pay Monthly service plan covers two services and any unused credit can be transferred to another BMW if you decide to switch unexpectedly. As part of the Pay Monthly plan you will also receive a number of added extras including:

- Fluid top ups
- An MOT
- A Wash & Vac each time you visit
- Seasonal health checks
- Sat Nav Map updates

Get the quality service and parts you expect from BMW with a fixed monthly payment. Give your BMW the care and attention it deserves from the experts that made it.

Price (inc. running in service): £45 per month for 36 months

Price (without running in service): £35 per month for 36 months

Please contact your preferred BMW Centre for further information.

BMW TRACKSTAR.

Locate and recover your vehicle if it is stolen with BMW Trackstar or BMW Trackstar Advance. Benefits include:

- 24/7 Trackstar Monitoring Centre
- Thatcham accredited
- Integrated motion sensor
- Pan-European protection

BMW Trackstar S7 price from: £399²

BMW Trackstar S5 price from £549²

BMW Trackstar S5 Advance price from: £649²

PRICES AND SPECIFICATIONS

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

VED RATES

Annual VED (second year onwards), for cars costing over £40,000, is payable for five years. VED rates for brand new cars are determined by their CO₂ emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The BMW M4 Coupé and Convertible Competition models fall into one of the categories listed below:

CO ₂ emissions (g/km)	1-50	51-75	76-90	91-100	101-110	111-130	131-150	151-170	171-190	191-225	226-255	Over 255
First year VED (petrol and RDE2 diesel)	£10	£25	£110	£135	£155	£175	£215	£540	£870	£1,305	£1,850	£2,175
Annual VED – second year onwards (petrol and diesel cars over £40,000)	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475	£475
Annual VED – second year onwards (standard rate for petrol and diesel cars)	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150	£150

ON THE ROAD PRICE

The recommended on the road price includes:

Delivery and BMW Emergency Service	£825
Number plates	£25
Vehicle first registration fee	£55
First year Vehicle Excise Duty	See left

Insurance group figures refer to 50 Group Rating System. * = Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent.

BMW CONNECTED DRIVE SERVICES.

BMW ConnectedDrive keeps driver and vehicle connected with the outside world. Digital services, driver-focused technologies and driver assistance systems provide more comfort, more entertainment and more safety. Increase your driving pleasure – with BMW ConnectedDrive.

For further information on BMW ConnectedDrive and the General Terms and Conditions of Service for ConnectedDrive, please see: www.bmw.co.uk/connecteddrive-information

The BMW ConnectedDrive Hotline is available on: +44 (0) 800 561 0555 from Monday to Friday 8am – 7pm and Saturday to Sunday 9am – 5pm.

GENERAL INFORMATION

BMW (UK) Ltd, Summit ONE, Summit Avenue, Farnborough, Hampshire, GU14 0FB (hereinafter referred to as “BMW”) provides the customer with certain vehicle-related information and assistance functions (hereinafter called “Services”) under the name of “BMW ConnectedDrive”. BMW (UK) Limited is the data controller. BMW collects, stores or processes car-related data in compliance with applicable law and only to the extent necessary to provide the Services. BMW does not collect, store or process personal data in course of the Services – except where this is explicitly stated in the service description of the individual Services. In the case of Services that require personal data to be collected, stored and processed so that such Services can actually be provided, BMW informs customers of this in advance by providing this data protection notice. The Services are provided by means of a SIM card installed in the vehicle.

CONNECTED DRIVE SERVICES DURATION

BMW Connected+	1 year
Online Entertainment (6FV)	1 year
BMW Online Services (6AK)	3 years
Concierge Services (6AN)	3 years
Real Time Traffic Information (6AM)	3 years
Apple CarPlay® preparation (6CP)	Available and active without runtime limitations.
BMW Emergency Call (6AC)	Available and active without runtime limitations.
BMW TeleServices (6AE)	Available and active without runtime limitations.
Remote Services (6AP)	Available and active without runtime limitations.

AVAILABILITY OF THE SERVICE

The complete range of Services is only available for customers whose vehicles are approved in United Kingdom, and only within United Kingdom.

“BMW Emergency Call” (6AC) is available to customers in United Kingdom, Germany, Austria, Italy, San Marino, Vatican, France, Monaco, Switzerland, Liechtenstein, Belgium, Luxembourg, the Netherlands, Ireland, Spain, Andorra, Portugal, Sweden, Norway, Czech Republic, Poland, Turkey and Russia “TeleServices” (6AE), “Concierge services” (6AN), “Remote Services” (6AP) and “BMW Online” (6AK) can be accessed on any mobile communication network in Europe. When used abroad, the range and characteristics of the service may vary from the range and characteristics described above and may vary from country to country. “Real Time Traffic Information” (6AM) is available in United Kingdom, Germany, Austria, Italy, France, the Netherlands, Switzerland, Belgium, Republic of Ireland, Spain, Portugal, Sweden and Norway. “Online Entertainment” (6FV) is available for use in United Kingdom, Germany, France, Italy, Spain, Belgium, Luxembourg, the Netherlands, Austria and Switzerland.

DEACTIVATION

You can have the BMW ConnectedDrive services deactivated through an authorised BMW centre, a BMW subsidiary or a BMW authorised workshop at any time. This also has the consequence that aspects of the emergency call in the vehicle as well as all remaining Services will no longer function.

You can additionally arrange for the remaining Services to be deactivated via “My BMW ConnectedDrive”.

If the vehicle is equipped with the legally required EU Emergency Call (as from April 2018) a deactivation of the BMW ConnectedDrive basic services will not deactivate the vehicle’s built-in SIM card. It has to remain active, so that the EU Emergency Call is functional all the time.

Services that are available and active without runtime limitations, cannot be guaranteed for permanent usage due to potential future technical developments (of the Service availability and/or Smartphone compatibility/operating systems).
