Why **easy**move?

We've made it really simple to pick the SEAT Tarraco that's right for you. There are six individual trims, each with their own unique equipment and appeal.

1 Pick the trim that sounds like your kind of car.

2 Choose the engine that suits you.

3 Personalise your Tarraco with your favourite colour.

And that's it. It couldn't be easier to do your thing.

Vehicle excise duty.

All new vehicles are subject to a form of Vehicle Excise Duty (VED) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km). The table below illustrates the duty you will pay based on the DVLA bandings.

12-month Road Fund Licence (RFL) rate for petrol and diesel cars: Cars registered on or after 1 April 2022

CO ₂ g/km	1st year rate – Petrol / Diesel	1st year rate – Alternative Fuel Vehicles (AFVs)
0	£0	£0
1	£10	£0
51	£25	£15
76	£120	£110
91	£150	£140
101	£170	£160
111	£190	£180
131	£230	£220
151	£585	£575
171	£945	£935
191	£1,420	£1,410
226	£2,015	£2,005
256	£2,365	£2,355

The standard rate for Petrol and Diesel is £165 and £155 for Alternative Fuel Vehicles. Please be aware vehicles with a list price (RRP), including options, higher than £40,000 will incur an additional £520 a year in vehicle tax, from the second time the vehicle is taxed.

How to calculate your liability

The BIK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2022/2023.

BIK calculation example: Tarraco SE 1.5 TDI 150PS

P11D value (OTR price less RFL and first registration fee) £33,440.00

WLTP CO₂ emissions (g/km) 142

Company car BIK tax based on CO₂ emission level 33%

Taxable BIK (for 2022/23 tax year):
33% of £33,440.00 £11,035.20

Annual Company Car Tax 2022/23 (@20% Income Tax)

20% of £11,035.20 £2,207.04 per annum

Monthly Company Car Tax 2022/23 (@20% Income Tax)

£2,207.04 divided by 12 £183.92 per month

Your tyre label.

They may not be the first part of your SEAT you notice, but your tyres play a vital role in keeping you on the road. Your EU tyre label tells you everything you need to know.

You'll see detailed information on your tyres and their technical specifications on the SEAT online car configurator. Click [here](#) to start building your SEAT now.

Due to the variation of tyres that may be fitted during production, the configurator will show multiple tyre labels. It is not possible to select a specific tyre when ordering a vehicle.

Fuel efficiency

This is a measure of 'rolling resistance' – in other words, the amount of energy lost through motion. The lower the rolling resistance, the lower your fuel consumption, with tyres rated as class A being the most efficient.

Wet grip

Rigorous testing ensures your tyres give great handling and performance in all conditions. Wet grip specifically measures how well you can brake in wet conditions, with grade A giving the shortest stopping distance.

External noise

Tyres are carefully measured so you know exactly how much noise they'll make while driving. If decibels don't mean a lot to you, don't worry. Each tyre also falls into a noise class A being the quietest and C the loudest.

The SEAT Warranty

Three-year Warranty.

All new SEAT's registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest).

Retailer Warranty.

Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT Retailer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines.

Full details of the three-year warranty are available from your SEAT Retailer or repairer.

Warranties & service plans.

SEAT Extended Manufacturer Warranty

If you take out a SEAT Extended Manufacturer Warranty before your new car is registered, you'll get exactly the same level of cover as the three year warranty, but for up to five years. You can choose a SEAT Extended Manufacturer Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles (whichever is soonest). Please note: SEAT Extended Manufacturer Warranty products are only available at the time of ordering your new SEAT.

Three-year Paint Warranty

The paintwork of all models featured in this price list is covered against manufacturing defects for a period of three years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT Retailer or repairer for full warranty details.

Twelve-year Body Protection Warranty

The internal body sections and panels of the models featured in this price list are covered against rusting through from the outside for twelve years. Naturally, the vehicle must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT Retailer or repairer for full warranty details.

SEAT Parts Warranty

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.
