The California 6.1.

The original.

The California – on the market for more than 30 years and continuously improved. One of the most popular and successful camper vans of its kind, winning Camper Van of the Year 2019<sup>1</sup>.

Enhanced exterior design.

A completely new front design features a reshaped front grille, restyled front bumper as well as LED headlights<sup>2</sup> with LED tail lights, new alloy wheels and colour options.

Versatile.

Thanks to its compact exterior dimensions and vehicle height of 1,990mm<sup>3</sup>, the California 6.1 is a practical day-to-day vehicle, leisure bus and camper van all in one, suitable for cities and most car parks. The California comes as standard with 4 seats – not enough to fit the family? Then a fifth seat can also be ordered.

Optimum off-road capability.

Optional 4MOTION all-wheel drive<sup>4,5</sup>, dual clutch gearbox DSG, Hill Descent Assist<sup>6</sup>, Hill Start Assist and mechanical differential lock<sup>4,6</sup> provide impressive off-road mobility.

1 Source: promobil, category 'Compact Camper van', last award 03/2019.

2 Standard on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast.

3 Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.

4 Optional at extra cost.

5 Not available for all engines.

6 Only in conjunction with the 4MOTION all-wheel drive.

Design	Interior	Comfort & flexibility	Assistance systems	Equipment	California 6.1 Coast	California 6.1 Ocean	Infotainment & connectivity	Paint, upholstery & interior colours	Wheels	Canvas bellows	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
--------	----------	-----------------------	--------------------	-----------	----------------------	----------------------	-----------------------------	--------------------------------------	--------	----------------	-----------------------	------------	-----------------	--

The California 6.1 features a range of driver assistance systems more usually found on passenger vehicles, including Traffic Sign Recognition<sup>1,2</sup>, Side protection<sup>2,3,4</sup>, Crosswind Assist<sup>2</sup>, Active Lane Assist<sup>1,2,5</sup>, Park Assist<sup>2,3</sup>, Rear Traffic Alert<sup>1,2</sup> and Trailer Assist<sup>1,2</sup>.

The camping table, camping chairs and opaque window shades are neatly stowed away behind the sliding doors and tailgate, saving space when not in use.

As you'd expect, the California 6.1 is durable, versatile and built to last, with a highly stable body, quality materials and time-honoured workmanship.

1 Optional at extra cost. 2 Within the system's thresholds. 3 Standard on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Maximum comfort.  
Total freedom.

1 Optional at extra cost. 2 Standard on the California 6.1 Ocean. Optional at extra cost on California 6.1 Coast. 3 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

New interior design.

The redesigned dashboard features contemporary black gloss surrounds and stylish decorative trims, along with fresh new seat upholstery, kitchen units, aluminium door handles, sliding cupboard doors and LED interior lighting are all fitted as standard.

Outstanding comfort.

The cabin offers excellent acoustic and thermal insulation, with ergonomic seats finished in robust premium upholstery. A new darker canvas and bed with a softer spring system further enhance sleep quality in the roof section, whilst the lounge doubles as a bed extension with the option of a comfort mattress overlay<sup>1</sup>.

Perfectly networked.

The California 6.1 is available to order with the Digital Cockpit<sup>2</sup> which features a high-resolution 10.25 inch display. The vehicle also features the latest touch-screen radio and navigation systems<sup>2</sup> with integrated eSIM, App-Connect, We Connect<sup>3</sup> mobile online services and Bluetooth<sup>®</sup>, ensuring you stay informed while you travel.

Adaptable interior.

The folding bench seat in the living area can be secured at any position on the sliding floor-mounted rail system, along with swivelling front seats, providing a highly flexible and adaptable interior.

--------	----------	-----------------------	--------------------	-----------	----------------------	----------------------	-----------------------------	--------------------------------------	--------	----------------	-----------------------	------------	-----------------	--

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system including 'Streaming & Internet' systems.

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

**Ten driver assistance systems that you just have to have.**

1 Within the system's thresholds. 2 Standard equipment on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast. 3 Optional at extra cost. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. 6 Only available in conjunction with 4MOTION all-wheel drive. 7 Not available for all engines.

**Rear Traffic Alert.<sup>1,3</sup>**

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

### Tyre pressure monitoring system.<sup>1,3</sup>

Displays the current pressure for every tyre and warns of deviations from the set pressure.

### Adaptive Cruise Control (ACC).<sup>1</sup>

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Hill Descent Assist.<sup>1,2,4</sup>

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

1 Within the system's thresholds. 2 Optional at extra cost on the California 6.1 Ocean. 3 Optional at extra cost. 4 Only available in conjunction with 4MOTION all-wheel drive. 5 Not available for all engines.

Pure driving pleasure  
**On any terrain.**

A choice of three engine and gearbox combinations ensures optimum performance and driving pleasure. 4MOTION all-wheel drive<sup>3,5</sup> provides exceptional traction on virtually any surface, while the dual clutch gearbox DSG significantly enhances driving comfort with its smooth gear changes.

**Dual clutch gearbox DSG.** The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

**Dynamic Chassis Control (DCC).**<sup>3</sup> Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, the system adjusts the damping, enabling you to adapt your California 6.1 to suit the road and your driving style.

**4MOTION all-wheel drive.**<sup>3,5</sup> 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

**Mechanical differential lock.**<sup>3,4</sup> The mechanical differential lock is available as an option for the rear axle, providing additional support to the 4MOTION all-wheel drive<sup>3,5</sup> making it easier to pull away in difficult off-road conditions and making the California 6.1 one of the most effective all-terrain vehicles in its class.

## Equipment

One thing is for sure: a holiday in the great outdoors makes you hungry. That is why the California 6.1 is equipped with a fully functional kitchen where you can prepare something fresh at any time. However, self-sufficient people will find many other features that make life in the wilderness easier. For example, a 25 litre fresh water tank, a 42 litre compressor cool box and two maintenance-free leisure batteries. Many things can also simply be done outside. This is possible with the sturdy aluminium camping set, the removable washing-up bowl and the outside shower<sup>1</sup>. So nothing stands in the way of a meal in the open air.

1 Optional at extra cost.

# Comfort in a small space.

The dimmable LED background lighting bathes the interior in warm, atmospheric light.

1 Standard equipment on the California 6.1 Ocean and optional at extra cost on the California 6.1 Coast.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

The kitchen looks great too.

The new kitchen design in the California 6.1

In the California 6.1 you can expect a fully functional kitchenette in a new design. An extremely lightweight, yet highly stable aluminium composite forms the basis. The surface décors in the California Coast have a light wood look and in the California Ocean an elegant slate look. The basic equipment includes a 42 litre compressor cool box, a large base cabinet, a flexible worktop and three eye-level stowage compartments in addition to the stainless steel sink/stove kitchen unit. So nothing stands in the way of a three course menu.

**Stowage compartments.** A movable blackout module with three stowage compartments is integrated into the narrow window above the compressor cool box. They are ideal for storing herbs and spices. If the stowage compartments are pushed to the rear, the window provides a view to outside.

**Kitchen base cabinet.** It is accessible via two sliding doors and can also be opened when the bed is set-up. It contains an extendable cutlery tray and the frost-protected 30 litre waste water tank in the rear area.

**Sink/stove kitchen unit.** Below the two-part safety glass cover, there is a two burner gas cooker (maximum 1,800W) with convenient piezo ignition on the left and a stainless steel sink with a removable washing-up bowl on the right.

**Flexible worktop.** It can be moved in a rail and can either be set up using a fold-out leg, fixed to the headrest of the rear bench seat with the rubber strap supplied, or simply folded away.

**42 litre compressor cool box.** The 42 litre chest with clip-on basket, which is easily accessible from above, is cooled by the integrated compressor. Thanks to good insulation and an additional battery, the drinks remain refreshingly cool even during the journey.

**Rear cupboard.** This is where all the important components for electricity, water and gas supply are located: the residual current circuit breaker, the fresh water tank with recess in which a 2.8kg Campingaz natural gas fuel tank<sup>1</sup> fits, and the fresh water drain lever.

<sup>1</sup> Optional at extra cost.  
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

A photograph showing the interior of a motorhome. On the left, a storage compartment is open, revealing a yellow plastic bin and a blue bag. To the right, a bed with white pillows is visible. The background shows a window looking out onto a green landscape.

1 Optional at extra cost.  
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

# A question of type.

## The equipment lines compared.

### For the discerning.

#### California 6.1 Ocean.

In the California 6.1 Ocean you can expect the best a camper van can offer: maximum relaxation. Dark slate design in the living room, atmospheric background lighting and an electro-hydraulic elevating roof with panorama opening make every journey a dream holiday. LED headlights with separate LED daytime running lights also enhance the exterior design.

### For globetrotters.

#### California 6.1 Coast.

The California 6.1 Coast is the ideal base camp for everyone who is drawn to the great outdoors. Robust and hard-wearing on the outside, it offers everything on the inside for you to be as self-sufficient as possible – including a fully functional kitchen, a large fresh water tank and plenty of stowage space.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Everything tastes best when on the road.  
**Cooking** in the California 6.1 Coast.

Nature calls. And more and more people are seeking her. Road trips on romantic wild cliffs, hidden mountain lakes or centuries-old cultural landscapes are in fashion. If you are looking for an even more authentic experience, you can source regional products for your meals and prepare them yourself. Best of all in the California, for example in the California 6.1 Coast.

# The destination in sight. A journey into the digital world.

Cars are getting smarter. The California 6.1 is already equipped with many digital technologies that make driving and camping more comfortable. For example, the high-resolution Digital Cockpit<sup>1</sup> with navigation map. Or the new Camper control unit, which controls all the important camper functions. Or Volkswagen We Connect<sup>2</sup>: multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

<sup>1</sup> Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Coast. <sup>2</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

# Audio & communications

**01 Composition Colour DAB+ radio system.** Fitted as standard, the Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four x 20 watt output with eight speakers. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect<sup>1</sup> and We Connect Plus<sup>1,2</sup>.

**02 Discover Media navigation DAB+ system including 'Streaming & Internet'.** The Discover Media navigation system including 'Streaming & Internet' features an 8 inch colour touch-screen with proximity sensor. The system includes a 32GB media storage, natural voice control, integrated eSIM, free map updates via the internet and mobile online services with Volkswagen We Connect Plus<sup>1,2</sup> and wireless<sup>3</sup> App-Connect. Standard on California 6.1 Ocean models and optional on California 6.1 Coast models.

**03 Discover Pro navigation DAB+ system including 'Streaming & Internet'.** The optional Discover Pro navigation system including 'Streaming & Internet' provides navigation and radio functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions, such as changing radio stations, with a simple swiping movement of the hand. It also comes with 3-years' We Connect Plus<sup>1,2</sup> and provides online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on all models.

1 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com), and use the services for the full duration of the agreed free period. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired. 3 Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

Design	Interior	Comfort & flexibility	Assistance systems	Equipment	California 6.1 Coast	California 6.1 Ocean	Infotainment & connectivity	Paint, upholstery & interior colours	Wheels	Canvas bellows	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties

Second navigation map in high-resolution 3D display<sup>1</sup>.

## Digital Cockpit<sup>2</sup>

You can now experience digital progress up close in the California 6.1. State-of-the-art infotainment systems with large storage capacity and the Digital Cockpit<sup>2</sup> offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense colours as well as its bright and extremely high-contrast image. The Digital Cockpit<sup>2</sup> is operated via the touch-screen display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist of your holiday soundtrack or set the safety distance of the Adaptive Cruise Control (ACC)<sup>3</sup>. Even more possibilities arise when the Digital Cockpit<sup>2</sup> is combined with the Discover Media navigation or Discover Pro navigation sytem<sup>4</sup>. A large second navigation map can then be positioned on the Digital Cockpit<sup>2</sup>.

Playlist from smartphone.

Traffic Sign Recognition<sup>3,4</sup>.

Overview of driving data.

1 Only available in conjunction with the Digital cockpit. 2 Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Coast. 3 Within the system's thresholds. 4 Optional at extra cost.

1 Standard on the California 6.1 Ocean and not available on the California 6.1 Coast. 2 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com), and use the services for the full duration of the agreed free period. 3 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired.

We Connect<sup>2</sup> and We Connect Plus<sup>2,3</sup>

From service to infotainment.

With the Camper control unit, you now have a digital central unit at your disposal that allows you to conveniently control numerous functions of the California 6.1. The menu items are selected intuitively via the touch-screen. The installed electrical consumers can then be put into operation via the rotary knob. You can even start some on-board systems from your smartphone. Simply download the We Connect app to your mobile phone, subscribe to We Connect Plus<sup>2,3</sup> and connect to your vehicle.

# We Connect<sup>1</sup>

## and We Connect Plus<sup>1,2</sup>

With Volkswagen We Connect<sup>1</sup> driving a vehicle will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the California 6.1 – conveniently via your smartphone. The heart of the system is the We Connect<sup>1</sup> App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect<sup>1</sup> package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus<sup>1,2</sup> package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect<sup>1</sup> Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect <sup>1</sup>
Breakdown call
Information call

Online Route Calculation
Filling Stations
Parking Spaces

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired. 3 Available late 2020. 4 Only available in conjunction with the Discover Media navigation system including 'Streaming & Internet' or Discover Pro navigation system including 'Streaming & Internet'. 5 Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

# Finance made simple

## As dedicated to finance as we are to your new California 6.1

Learn more about our range of finance products to find a finance package that suits your budget. Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

Cost of your vehicle

Deposit  
As little as one monthly repayment

Monthly repayments  
Spread across 18 to 49 months

Optional final payment  
You have three choices at the end of your agreement

Own  
Hire

Cost of your vehicle

Deposit  
As little as one monthly repayment

Repayments  
Spread across 12 to 60 months

Own

Cost of your vehicle

Deposit  
As little as one monthly repayment

Rental repayments  
Spread across 12 to 48 months

Final 'balloon' repayment

Own

**Solutions Personal Contract Plan**  
Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

**Hire Purchase**  
Make all the regular monthly payments. At the end the vehicles is yours.

**Lease Purchase**  
Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental  
As little as one rental repayment

Rental repayments  
Spread across 12 to 60 months

Hire

Cost of your vehicle

Initial rental  
As little as one rental repayment in advance

Rental repayments  
Spread across 12 to 60 months

Hire

Cost of your vehicle

Initial rental  
As little as one rental repayment in advance

Rental repayments  
Spread across 12 to 48 months

Final 'balloon' repayment  
You have two options at the end of your agreement

Hire

**Contract Hire**  
Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

**Finance Lease (full pay out)**  
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

**Finance Lease (balloon repayment)**  
Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

# Finance, insurance, servicing and warranties

## Finance and insurance.<sup>1</sup>

When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard, including our 3 Year Fixed Price commitment.

## A choice of packages.<sup>2</sup>

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

## Volkswagen Car Insurance.<sup>3</sup>

### Complimentary Drive Away Insurance

Every new and used Volkswagen comes with five days’ complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won’t increase.

*Subject to eligibility. Five days’ Drive Away Insurance cannot be used in conjunction with any other insurance offer.*

### Annual insurance with a 3 Year Fixed Price commitment

Comprehensive insurance to offer you maximum convenience with minimum hassle – just as you’d expect.

Because we value your loyalty, you can benefit from the Volkswagen 3 Year Fixed Price commitment, so you can relax, knowing the cost of your car insurance won’t increase each year. The price will only change if your circumstances do.

Cover runs for twelve months at a time and you’ll receive a renewal notice confirming your fixed price for the following year. With Volkswagen Car Insurance, you’re not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews.

Enjoy peace-of-mind and complete convenience and relax in the knowledge you have a policy tailored specifically for your Volkswagen.

### With Volkswagen Car Insurance, you can enjoy the following benefits as standard:

- 3 Year Fixed Price commitment
- Volkswagen Approved Repairs carried out by Volkswagen Approved Technicians using only Volkswagen Genuine Parts® and paints (excludes windscreen claims)
- Guaranteed courtesy car whilst yours is in for repair
- Windscreen cover
- Uninsured driver promise (providing we have the car registration, make, model and driver details)
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

### How Volkswagen 3 Year Fixed Price Car Insurance works

When you take out Volkswagen Car Insurance, your premium will be fixed for two consecutive renewals, providing you choose to renew cover annually.

The price will only change if one or more of the following happens:

- if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims) after your policy has started
- if you make an amendment to your policy, such as changing your car or address, the revised premium will be fixed for the remaining renewal periods
- if the price of optional additional products and/or Insurance Premium Tax changes.

For more information or to get a quote, call us on: **0345 877 6464**

We’re available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Alternatively, visit: **www.insurewithvolkswagen.co.uk**

## Volkswagen Commercial Vehicle GAP Insurance.<sup>4</sup>

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as ‘Guaranteed Asset Protection’) Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: **www.insurewithvwcv.co.uk/gap-insurance**

## Servicing and support.

We’re here to keep your business moving, with our range of three award-winning<sup>5</sup> servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**

## Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

## Fixed price servicing.<sup>6</sup>

If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget<sup>7</sup>.

## Pay on demand.

If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

## Roadside Assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

## Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

## Warranties.

You can count on us long after you purchase your California, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your California is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**.

## Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: **www.volkswagenvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

## Paint and body warranty.

Your California’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

## The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you’re only around 45 minutes on average from our door.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA).
